The Daily Mile
Activity Grid
How it works

The Daily Mile is designed to be as easy as possible for schools!
Here are our steps to success:

- **Print a classroom copy** or show it on screen.
- **Launch the Activity Grid** either at the start of the school year, or at any point throughout the 2024/2025 academic year.
- Once each activity has been completed, **check off the box** but feel free to customise how you incorporate the Activity Grid into your Daily Mile routine.
- Upon successfully completing The Daily Mile Activity Grid, you can **generate a personalised certificate** for each child to proudly display their achievement!

And... have fun!
